

### **REMARKS**

After entry of this Amendment, claims 4-13, 18, 19, 21-24, 31-42, 44-46, and 51-71 will be pending in this application; claims 32, 37, 39, 44, and 46 have been amended. Support for the amendments may be found throughout the Specification, at least in Figures 3 and related text, and in the originally filed claims.

The Remarks we filed on November 20, 2007, are applicable to this Amendment, which adds the amendments to claim 44 requested by the Examiner which were inadvertently omitted in the Response filed on November 20, 2007. Applicant submits that the foregoing amendments fully address the Examiner's objections to the claims.

### **CONCLUSION**

In light of the foregoing, Applicant respectfully submits that all claims are now in condition for allowance.

Applicant believes that no additional fees are necessitated by the present Response. However, in the event that any additional fees are due, the Commissioner is hereby authorized to charge any such fees to Deposit Account No. 07-1700.

If the Examiner believes that a telephone conversation with Applicant's agent would expedite allowance of this application, the Examiner is cordially invited to call the undersigned.

Respectfully submitted,
